**FIRE VICTIM TRUSTEE'S OBJECTION  
TO LETTER REQUEST OF BRANDON  
BOONE TO DEEM LATE PROOF OF  
CLAIM TIMELY FOR THE PURPOSE OF  
ADMINISTRATION BY THE FIRE  
VICTIM TRUST**

[Relates to Docket Number 13411]

Hearing Date: January 25, 2023  
Hearing Time: 10:00 a.m.

Place: Hearing will be conducted telephonically or  
by video

1 Cathy Yanni, in her capacity as the Trustee (the “**Trustee**”) of the Fire Victim Trust  
2 (“**Trust**”), by and through her undersigned counsel, hereby submits this objection to the letter  
3 request of Brandon Boone (“**Movant**”) filed on January 4, 2023 [Dkt. 13411] (the “**Boone**  
4 **Letter**”). In support of this Objection, the Trustee respectfully states as follows:

5 **PRELIMINARY STATEMENT**

6 The Boone Letter seeks to have proof of claim 109840 (the “**Proof of Claim**”), filed on  
7 December 20, 2022, deemed timely for the purpose of administration by the Trust with no mention  
8 of the impact such relief might have on the Fire Victims who largely filed their proofs of claim  
9 more than three years before Movant. As Movant does not provide any reason for the extremely  
10 long delay in filing the Proof of Claim, and for the reasons cited in the Court’s December 21, 2022  
11 *Amended Order Denying Motions to Allow Late Claims* [Docket No. 13377] (the “**Late Claim**  
12 **Order**”), the Court should deny the relief requested in the Boone Letter and disallow the Proof of  
13 Claim.

14 **RELEVANT BACKGROUND**

15 1. On January 29, 2019, PG&E Corporation and Pacific Gas and Electric Company, as  
16 debtors and debtors in possession (together, the “**Debtors**”), commenced with the Court voluntary  
17 cases under chapter 11 of the Bankruptcy Code (the “**Chapter 11 Cases**”). The Debtors filed the  
18 Chapter 11 Cases to address the billions of dollars of damage and loss relating to the devastating  
19 2015, 2017 and 2018 California fires and to provide compensation to wildfire victims.

20 2. On March 14, 2019, the Debtors filed their schedules of assets and liabilities. By  
21 Order dated July 1, 2019, the Court established October 21, 2019 (the “**Bar Date**”) as the last date  
22 to file proofs of claim in the Chapter 11 Cases [Docket No. 2806]. Nearly ninety percent (90%) of  
23 the 82,692 timely filed Fire Victim Claims were filed *before* the Bar Date. By Order dated  
24 November 11, 2019, the Court extended the Bar Date to December 31, 2019 (the “**Extended Bar**  
25 **Date**”) for unfiled, non-governmental Fire Claimants [Docket No. 4672].

26 3. As a result of the Court’s careful consideration of this issue and the thoughtful  
27 manner in which the Debtors redoubled their efforts to reach additional Fire Victims, more than  
28 82,000 claimants, some of whom suffered unfathomable losses, filed their claims in a timely

1 manner. Importantly, this number includes in excess of 1,700 claimants who submitted claims  
2 substantially the same as those asserted in the Proof of Claim.

### 3 OBJECTION

4 4. As this Court has recognized, claimants who file late proofs of claim bear “the  
5 burden of presenting facts demonstrating excusable neglect.” *In re Pacific Gas & Elec. Co.*, 311  
6 B.R. 84, 89 (2004) (citing *Key Bar Invs., Inc. v. Cahn (In re Cahn)*, 188 B.R. 627 (9th Cir. BAP  
7 1995)). The Boone Letter does not provide any explanation for Movant waiting just under three  
8 years after the Extended Bar Date to file the Proof of Claim.

9 5. In *Pioneer* the Supreme Court applied the majority of what was then the Ninth  
10 Circuit test for determining whether a failure to timely file a proof of claim was due to excusable  
11 neglect: (1) whether granting the delay will prejudice the debtor; (2) the length of the delay and its  
12 impact on efficient court administration; (3) whether the delay was beyond the reasonable control  
13 of the person whose duty it was to perform; and (4) whether the creditor acted in good faith. *Id.*,  
14 507 U.S. at 395, 113 S. Ct. at 1498.

15 6. The first consideration in determining whether a late claim filing was the result of  
16 “excusable neglect” under *Pioneer* is the danger of prejudice to the debtor. This factor is irrelevant  
17 in the present case with respect to the Debtors because the Trust has taken the place of the Debtors  
18 with respect to Fire Victim Claims. As noted in the Late Claim Order, when considered together  
19 with all of the Fire Victim Claims being administered by the Trust “the impact [of adding  
20 additional late claims to the Trust] on administration is more than de minimis and would prejudice  
21 the FVT.” Late Claim Order at 6:14-15.

22 7. The second consideration under *Pioneer* is the length of delay and its potential  
23 impact on judicial proceedings. The Proof of Claim was filed 1,085 days after the Extended Bar  
24 Date and more than three years after others with similar claims filed proofs of claim. The Trust has  
25 a limited fund from which to pay all Fire Victim Claims. As such, the Trust cannot finally  
26 determine how much it can pay on account of *any* Fire Victim Claim until it adjudicates *every* Fire  
27 Victim Claim. Before the Trust can begin to adjudicate a claim, the claimant must submit all  
28 necessary documentation to the Trust.

1           8.       The continued addition of claims to the Fire Victim Trust prevents the Trust from  
2 allocating its limited funds and further extends the time that claimants who timely filed their Fire  
3 Victim Claims must wait for final payments, thus delaying the administration of Fire Victim  
4 Claims and prejudicing those who hold timely filed Fire Victim Claims with delay. The extreme  
5 length of Movant's delay and the impact of this delay on the final payment of timely filed Fire  
6 Victim Claims weighs heavily against deeming the Proof of Claim timely.

7           9.       The third *Pioneer* factor, whether the delay was beyond the late claimant's control,  
8 also weighs against granting the relief requested by Movant. The Boone Letter fails to provide any  
9 facts that support a finding that Movant was unable to file the Proof of Claim before the Extended  
10 Bar Date for any reason beyond his control.

11          10.      While the Trustee does not believe that Movant lacks the good faith that comprises  
12 the final consideration listed by the *Pioneer* court, Movant fails to provide any justification for the  
13 late filing. There are no exceptional circumstances that warrant adding the Proof of Claim to the  
14 Trust for administration with the tens of thousands of timely Fire Victim Claims.

15          11.      In addition, as is evidenced by overwhelming number of late claim motions filed  
16 within December alone, as well as the continuing filing of proofs of claim, allowing the Proof of  
17 Claim to be deemed timely filed at this stage would encourage other latecomers to file similar  
18 motions. Such a result would be grossly inequitable to those holding timely filed Fire Victim  
19 Claims, who have been waiting years for closure that cannot come until the Trust is able to  
20 administer the last Fire Victim Claim.

21          12.      Movant therefore fails to meet the standard for establishing "excusable neglect" for  
22 filing the Proof of Claim nearly three years after the Extended Bar Date. The relief requested in the  
23 Boone Letter should be denied.

1 **CONCLUSION**

2 For the foregoing reasons, the Trustee respectfully requests that this Court deny the relief  
3 requested in the Boone Letter, disallow the Proof of Claim, and grant such other and further relief  
4 as may be just.
